(or the currency equivalent using the reference exchange rate for non-sterling accounts)

A margin of 0.50% on the value of all currency transactions will be applied to our reference exchange rate

- The Trustee bank account (the “Designated” Account as defined in the RPAS SIPP Terms & Conditions) is opened by the administrator (Rathbone Pension & Advisory Services Ltd) on behalf of the trustees (Rathbone Pension & Advisory Services (Trustees) Ltd) for the purpose of administering the member’s funds.
- Interest rates shown are the rates in force from the date of this schedule and will vary in line with UK base rate as determined by the Bank of England. Credit balances receive an interest rate linked to a gross percentage (%) below UK base rate. Two calendar months prior written notice will be given for any amendments to the gross percentage (%) below UK base rate. Details of current rates are available on request.
- If the balance on the account moves into a higher band, the higher rate is applicable to the total amount.
- Interest is paid quarterly on Capital accounts. Interest is paid on maturity on Fixed Time Deposits.
- Annual Equivalent Rate is a notional rate which illustrates what the interest would be if interest was paid and compounded on an annual basis.
- Gross Rate is the rate of interest payable before the deduction of income tax or other deductions at the rate specified by law. Lower rate tax will be deducted at source unless evidence on non-liability has been supplied.
- The rate of interest, tax treatment and rate of interest payable depends on the individual circumstances of each customer and may be subject to changes in the future.
- Other rates may be available on application.

Important information about compensation arrangements

We are covered by the Financial Services Compensation scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors, including most individuals and small businesses, are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor’s accounts with the bank, including their share of any joint account and not to each separate account.

For further information about the scheme (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website www.FSCS.org.uk or call 020 7741 4100 or 0800 678 1100.
