# 1 / BACKGROUND

## 1.1 APPROACH

The Basel framework is structured around 3 pillars: Pillar 1 minimum capital requirements, Pillar 2 the supervisory review process and Pillar 3 market discipline. Under Pillar 3 we are required in line with Article 433c Disclosures by Other Institutions - Prudential Regulation Authority ([prulebook.co.uk](http://prulebook.co.uk)) to disclose key metrics semi-annually for the consolidated Rathbones Group.

## 1.2 GROUP STRUCTURE

Rathbones provides individual investment and wealth management services for private clients, charities, trustees and professional partners. The group is organised into two main areas of operation: Wealth Management and Asset Management.

Rathbones Group Plc is subject to consolidated supervision by the PRA. All subsidiaries are limited by ordinary shares, and other than the requirements to hold regulatory capital there are no practical or legal impediments to the prompt transfer of capital between Rathbones Group Plc and its subsidiaries. We have no large subsidiaries meeting the requirements for individual disclosure under the definition within CRR Article 4(146).

## 1.3 LOCATION

The report is published in the investor relations section of the Rathbones website (<https://www.rathbones.com/investor-relations/results-and-presentations>) and can also be available on request by writing to Iain Hooley, Group Chief Financial Officer, Rathbones Group Plc, 30 Gresham Street, London EC2V 7QN.

## 1.4 VERIFICATION

Disclosures are unaudited but have been verified internally through review by the three lines of defence including first line review by the Head of Prudential Regulation and second line review by the Head of Prudential Risk, ahead of review and challenge by the Board. They will only be subject to external verification to the extent they are equivalent to those made in published financial information prepared in accordance with International Accounting Standards. These disclosures explain how the board has calculated certain capital requirements and information about risk management generally. They do not constitute financial statements and should not be relied upon in making judgements about Rathbones or for any other purpose other than that for which they are intended.
