- Interest rates shown are in force on the date of this notice and may vary in the future. Details of current rates are available on request.
- If the balance on the account moves into a higher band, the higher rate is applicable to the total amount.
- Interest is paid quarterly on capital accounts and deposit accounts.
- Overdraft or loan interest is charged quarterly on capital accounts and loan accounts. Loans may be provided through other Rathbones Group Members.
- Provided instructions are received in reasonable time before close of business, payments from non-notice accounts will be made by BACS or cheque issued on the same day.
- Interest penalties for early withdrawal on notice accounts are calculated as per our Terms of Business and deducted from interest accrued on the account.
- Annual equivalent rate is a notional rate which illustrates what the interest would be if interest was paid and compounded on an annual basis.
- Other rates may be available on application.

Interest rates detailed herein are paid pursuant to our Terms of Business. We will account to you for interest earned on uninvested client money deposited with an Approved Bank only at the rates specified in this schedule, as amended from time to time at our discretion with reference to changes in the interest rates of Approved Banks. You should note that the rate of interest paid by Approved Banks will usually exceed the rate of interest which may be earned by you on uninvested client money, as specified in this schedule. Any excess in interest paid by Approved Banks over the interest to which you are entitled under the above schedule will be for the benefit and account of, and shall be retained by, us. You will not earn any interest on any uninvested money for any period that it is not deposited with an Approved Bank for any reason.
